

2kit.de - Privacy Policy

Last Update: May 15, 2018

Introduction

This privacy policy applies to your use of the website 2kit.de (referred as "Website") provided by Kraus und Karnath GbR (referred as "Us").

We respect privacy and your rights to control your personal information. Data Protection is one of our top priority business goals and we want to be as clear as possible about the data we collect and why we collect it.

How to contact us

If you have any questions or inquiries regarding this privacy policy or how we use your personal information, please send an email to info@2kit.de with subject "privacy".

Unless otherwise stated, Kraus und Karnath GbR is a data controller for personal information we collect through the Website and related services, subject to this privacy policy. The data protection officer of Kraus und Karnath GbR can be contacted via email or at our address:

Graf-Adolf-Str. 41, 40210 Düsseldorf, Germany

Why we collect data

The prime purpose for collecting data is to provide you with our company services through the Website. We use the collected data to improve and personalize your overall experience and the following purposes:

- Customer Support
- Website Performance Analysis
- Communications and Product Announcements

What kind of data we collect

We collect the following kinds of data:

- 1) Personal information
 - a. Name
 - b. Email address
 - c. Social identifiers (e.g. Twitter or Facebook user ids)

- 2) Non-personal information
 - a. Website Activity information: Anonymized usage statistic data to improve the Website and for business analytics purposes.

- 3) Children
 - a. The Website does not target and is not intended to attract children. We do not knowingly solicit personal information from children or send them requests for personal information. If a parent or guardian becomes aware that his or her child has visited the Website and unknowingly send us personal information, without their consent, please contact us via email. We will delete the information within a reasonable time.

How we collect data

1) Information you provide to us

When sending us an email or contacting us via a third-party service (e.g. Twitter, Facebook, Youtube) we use the information you provide to Us for customer service. We do not share this data with outside parties except to the extent necessary to complete your request. Please note that we have no influence on how your personal information is collected or used by third-party services like Twitter, Facebook and Youtube, when you use them to interact with us. Please refer to their respective privacy policies for more information on how they handle your privacy.

2) Data collection on the Website “2kit.de”

We do not use ads or usage tracking on the Website or otherwise collect any user data. We also do not set cookies on the Website.

How we share data

We do not sell personal information about our customers. We may share information with the following types of third parties as described in this privacy policy.

- **Third Party Vendors:** We use third-party providers to carry out services like website and email hosting. Personal information may be stored by these providers for fulfilling the service, for example your email address may be stored by our email provider.
- **Sharing and Disclosure of Aggregate Data:** We may share data in an aggregated, anonymized or other form which does not enable the recipient of such data to identify you. We share this data with third parties for business purposes, for example industry analysis.
- **Sale or Merger:** We may share your non-personal and personal information in the event of a merger, acquisition, or sale of all or a portion of our assets. We may also notify you via email or a prominent notice on the Website or in the App.

We only share your personal information as necessary, such as to complete a transaction or to provide a product or service you have requested or authorized and only with vendors or agents working on our behalf for the purposes described in this privacy policy. In this case, your personal information will be shared with these agents or contractors but only for the purpose of performing services on behalf and under instructions of Us and in accordance with this privacy policy.

Data security, storage and retention

We are committed in protecting the security of your personal information. However, while we take reasonable physical, electronic, and procedural precautions to guard the personal information we collect, no security system is impenetrable. We use appropriate technical and organizational tools based on industry standards to protect your personal information and help prevent information about you from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction. Furthermore we limit access to personal information to authorized employees and contractors who need to know that information in order to operate, develop or improve our products or services.

Storage: Personal information collected by Us may be stored, processed and transferred in or between your region, in the United States, or in any other country where our partners and service providers are located or maintain facilities.

Retention: We will retain your personal information for as long as we deem it necessary to enable you to use the Website, to comply with applicable laws, resolve disputes with any parties and otherwise as necessary to

allow us to conduct our business. All personal information we retain will be subject to this privacy policy. If you have a question about a specific retention period for certain types of personal information we process about you, please send an email.

Data accuracy, take-out and modification

We rely on you to ensure that your personal information is complete, accurate and current. Please inform us promptly of any changes to, or inaccuracies of, your personal information us via email. You can ask us for a copy of the personal information we hold about you at any time by. You can also inform us of any changes to your personal information, or if you want us to correct the personal information we hold about you.

Revoke Consent / Opting-out of services / Data deletion

You can revoke consent and request deletion of all personal information we received from you, e.g. via email or social media. Please add all necessary information we need to identify your person, e.g. email address and social media account. Please note that we will not be able to give you any support or service when you have explicitly opted-out, until you explicitly opt-in again by writing an email to Us.

Changes

We may modify or update this privacy policy when necessary to reflect customer feedback and changes in the App or on the Website. Please review it regularly. When we update this policy, we will revise the 'Last Update' date at the top of the policy. We encourage you to regularly review this policy to learn more about how we are using and protecting your information. If you do not comply with the latest privacy policy, please delete the app from all of your devices and stop using our services as described.
